Text:

School has been the most amazing and the funniest time I admired in my life. So when I look on my class souvenirs, I feel that I lost something very precious, something that is impossible to return back. My teachers, my classmates, my school and every single moment I lived there left special emotions and exceptional feelings on me.

I was lucky to have very respectful teachers who taught me sciences and important things in life, the hours I spent with them made from me a powerful person, they taught me to be self-confident, to believe in myself, to care for others, to be helpful, generous, courageous, respectful and kind with others. Thanks to my teachers, I learnt plenty of moral values and good qualities. I was really affected by their personalities and behaviours. I remember Mr Talbi, my teacher of Arabic who has never been late or absent, he was known for his strictness, punctuality, rigor, sincerity and his mastery of work. This ideal man affected me and left a great impact on my personality, so I have always tried to be like him. Similarity, I will never forget my classmates Oussama, Yanis, Hani, Laid, Chafia and Bariza. They were my best friends since we spent unforgettable moment all together in our school.
