4. Cross out (X) the silent letter(s) in the following words. (1pt)

island - know - answer - autumn

Written Expression (5pts)

Topic one : Imagine your town was recently affected by a flood. Many people needed help, and technology played a big role in organizing aid and spreading information quickly . Write a paragraph of about 80 to 100 words explaining how people can use technology to help others during disasters .

You may use the following notes :

- Share alerts and updates.
- Organize donations and volunteers.
- Locate missing people.
- Provide access to emergency services.
- Spread reliable information.

Topic Two: Your town is suffering from pollution. Write a short paragraph (about 80 words) explaining why it is important to keep the environment clean. Describe how pollution can harm people, animals, and plants, and why everyone should help reduce it.(**use active and passive voice**)

Best of luck 😊
