Dear Sarah,

I hope you are well. I want to tell you about my holiday last summer. I went to Italy with my family. We visited Rome and saw famous monuments like the Colosseum. The weather was sunny and warm, so we walked a lot and took pictures. Then, we went to Florence and Venice. We visited museums, took a boat ride, and enjoyed the beautiful cities. The weather was pleasant, but sometimes a little humid. We did many fun activities and ate delicious food like pizza and pasta. At the end, we felt happy but tired. It was a wonderful trip, and I will always remember it.

Best wishes,

Yasmine
